## HONORS RECOGNITION

PURPOSE: TO RECOGNIZE AND REWARD STUDENTS WHO MEET HIGH ACADEMIC STANDARDS (HONOR ROLL)

Each semester, the school identifies students who meet honor roll criteria. The Honors Recognition Committee plans an event to recognize and reward these students.

- During the summer, meet with Vice President to plan events for the year. Propose a budget for these events.
- In early fall, work with Presidents and Principal to identify dates and times for honors recognition events.
- Work with volunteers to solicit donations for the events and to plan preparation, implementation, and follow up at the events.
- Obtain names of honors students once honor roll for previous semester is announced. Send invitations to events to all eligible students (may be done through homerooms).
- Publicize events and honors students in enn, web sites, and local newspapers.
