

HOSPITALITY

STAFF APPRECIATION

PURPOSE: TO SHOW APPRECIATION TO TEACHERS AND STAFF

1. Host three main events each school year - a preplanning week event(which can include a breakfast and/or a lunch and/or Friday treats), a holiday brunch/lunch in December, and an end of the year event.
2. Additional "treats" can be arranged for the teachers/staff if the budget allows. For instance, goodies can be made available in the mailroom in celebration of Halloween, Valentine's Day, etc. Be sensitive to religious differences.
3. There may be money budgeted to have two of the three events catered if the chairpersons so choose. The remaining event is handled by the large list of volunteers who specifically sign up to help with Teacher Appreciation events.
