

STUDENT SERVICES

SPECIAL POPULATIONS

PURPOSE: TO SUPPORT THE SPECIAL EDUCATION PROGRAMS;
STUDENTS, TEACHERS AND PARENTS

This committee addresses the needs of diverse learners in the school population by fostering communication and awareness of special education between the district, school, parents, and students.

Exceptional children include students with learning disabilities or mental retardation, physical disabilities, chronic illness, hearing or speech disabilities, and in some instances disadvantaged and deprived students.

- This committee serves as a liaison between Special Education Department; PTSA; and Volunteers;
- Operate the AHS School Store with supplies and spirit wear while providing special population students with valuable job training skills;
- Write articles for the AHS's website and ENN to keep parents informed of information regarding special population's federal and state laws;
- Attend local Special Education Advisory committee or meetings to keep school informed of important legislative or policy changes.
